### Clubs

#### Mondays and Tuesdays Clubs for Session #2

**Holiday Spirit** Get a jump start on gifts this holiday season with fun crafts, and activities. A different Holiday themed project each week to get you in the spirit!

**Fun with Improv** In fun with Improv we'll learn about theatre through games, and activities. Learning the "lingo" and even making up our own play!

**Science Club** We will be making fun experiments and "magic potions" while exploring science!

#### Wednesdays and Thursdays Clubs for Session #2:

**Fun and Fitness** Keep your body moving in Fun and Fitness. Involving exercise with great games and songs!

**Me. Myself, & I Science** In this science club we'll focus on how our bodies work by doing cool experiments all about you. Inside and out!

**Cooking Club** The children will be making awesome recipes while learning about how to measure ingredients and mix them up!

Hello Parents, Teachers & Friends!  
I hope everyone had a wonderful Holiday weekend. Thank you to those of you who were able to come to the Family Harvest Dinner! It's always great to have families join us!

This month we will be practicing for our trip to St. Vincent's Nursing home. Each year we sing carols at the nursing home and hand out crafts and pictures that we have made for the residents. It's one of our favorite trips and one that the residents enjoy very much! Please make sure to return the permission slip and if you would like to volunteer to walk and sing with the kids just fill that out on the form.

Our Christmas vacation will take place at the end of this month from 12/25 to 1/1.

If you have any questions, comments, or concerns, please contact me.

*Heather Kaufman*

Brown Elementary School

Site Director

Family Resource Center Mission: To build healthier families & stronger communities through positive programs, relations and collaborations in the North Country
