

frc Afterschool Programs

December 2017

Hello Parents, Teachers & Friends!

Please welcome two new staff members to our Afterschool Program team!

Lily Nelson has been at home with her two young sons for the past few years, but has many years experience in education and afterschool programming. She is excited to be working with students once again. She enjoys sports, reading with students, and having fun!

Shyla Mercier is a senior at Gorham Middle High School. Next fall, she plans go to college and pursue a teaching degree. She has many passions including astronomy, cross country running, and drawing. She is excited to share her passions with the students and get some hands-on experience before starting her teaching career.

Please save the date for our Holiday Craft Night Family Event on **Thursday, December 7th from 4:00-5:30 PM.** Come join us to create some holiday crafts, just in time for the gift-giving season! Bring the whole family as these crafts will be family-friendly and family-oriented. If you would like to volunteer or donate supplies for this event, please contact me as soon as possible.

Another thank you to all the parents and guardians who returned the Expected Attendance Calendars and the Club Sign-Up Sheets. We appreciate these forms when we plan for snack and activities every week. Thank you!

Have a wonderful and memorable holiday season!

As the weather gets colder and snowier, please remember to update us if your contact information has changed.

In the event that we have to cancel Afterschool Program due to weather, an automated call will be sent out to the numbers you listed on your child's enrollment form. If these numbers have changed, we will need to update our system.

Please also remember that if program is cancelled, contact the Site Director with any concerns about plans for your child's dismissal. Please DO NOT contact the school.

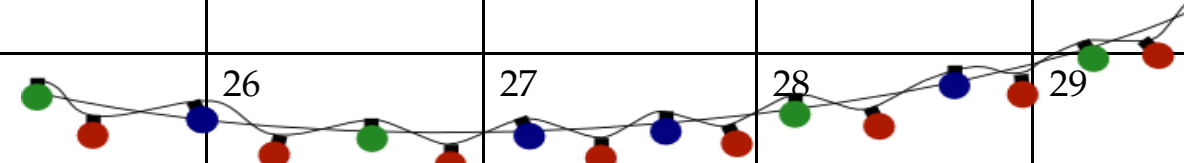

Thanks in advance!
