Edward Fenn Afterschool Program May & June Newsletter

Hello ASP Families, Teachers, & Friends!

As we approach the end of the school year, I would like to thank everyone for their help in making this a successful year of program! I especially would like to thank the staff at Edward Fenn Elementary School and my co-workers from Project Youth for helping me through my first year as Site Director. I hope we have many more years of awesome and fun programming!

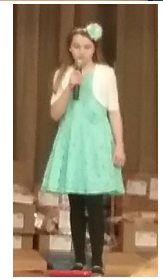

With the school year programs wrapping up, we are busy planning for Summer Program. This year we are combining with the Hillside & Brown Elementary School Summer Program. The program will be located at Hillside Elementary School and will run from July 5th to August 4th.

On a personal note, my husband and I are expecting our first child on June 1st! Since I will be on maternity leave once she arrives, I have been working closely with the Brown Afterschool Program Site Director, Heather Kaufman, to make sure that the Summer Program is fun-filled, exciting, and educational!

If you would like to share any feedback about this year or if you have any questions about summer program, feel free to contact me any time. We are always looking for suggestions to improve the experience for your children in future years!

*Very truly yours,
Jamie Knight*
