# Gorham Afterschool Program

the family  
resource center

The school year is almost over! And you know what that means....Summer is coming! We hope that you have had just as good of a year as we have had. While we are in the homestretch, please keep in mind that if you know your child has specific work that needs to get done, please inform us!

**Homework Club:** As always, homework club will be offered every day from 3:00 PM to 4:00 PM.

**Mondays are Art Days:** Every Monday we will be doing an outdoor art activity! We will be throwing water balloons full of paint, using our shadows to create masterpieces, and using the outdoors for drawing inspiration.

**Tuesdays are Science Days:** Every Tuesday we will be going outside and creating huge bubbles, bringing on the biggest fake snow storm that Gorham has ever seen, and testing our skills at protecting eggs from high-impact falls.

**Wednesdays are Dough Days:** Every Wednesday we will be creating a different type of "play-dough." We will be making dough out of all sorts of different substances.

**Thursdays are Game Days:** Every Thursday we will be walking to the Gorham Common to engage in some lighthearted competition. We will be playing some kickball, frisbee, soccer, and four-square.

**Fridays are Challenge Days:** Every
