

Wow! One month has passed already and Progress Reports have been released! We will be getting our copies shortly,

but until then, if you have any concerns regarding how your child is doing, please feel free to contact me so we can help your child stay on track! We want to do everything we can to help lighten the load and communication is the best way to get it done! Please log on to MMS regularly and update us immediately if your child has missing assignments or grades are declining so we can help. The sooner we are aware of an issue, the sooner we are able to assist and turn things around.

Activities/Special Events: Be on the lookout for permission slips for your child to attend special events and field trips! It is important they are returned ASAP so we can determine transportation/staffing needs.

This month we are celebrating the 18th annual nationwide celebration of Afterschool Programs keeping kids safe, inspiring them to learn and helping working families.

We are also hosting our 9th annual Veterans appreciation dinner on Thursday, November 9th in honor of those who have sacrificed so much for us. This is a small way to show our heartfelt appreciation. If you would like to volunteer or donate an item on our food list please let us know!

Afterschool Programs

October 2017

Hello Parents, Teachers & Friends!

While a strong focus of the Project Youth Afterschool Program is Homework Club, there is also a scheduled enrichment activity portion of each day that should begin around 4:00pm. Please know that while we strive to assist each child with homework completion, there may be some days when there is more to do at home. Parents, please help us to help your child by checking what still needs to be done, and by reviewing the work your child has completed.

We encourage everyone to check our activity calendar frequently and to talk with students about what they are learning. ASP attendees participate in some pretty neat projects, so be sure to let them tell you all about it!

If you would like to volunteer for any of our special events, or share a talent with our youth, please let us know. We look forward to community involvement.

If you ever have any questions, comments or concerns, please feel free to contact me. We are always open to feedback and suggestions. Thanks!

Naomi Levesque

Family Resource Center Mission: To build healthier families & stronger communities through positive programs, relations and collaborations in the North Country
