Afterschool Programs

December 2017

Hello Parents, Teachers & Friends!

The weather is getting colder. Please make sure to send your child with appropriate clothing such as jackets, hats, etc.. If anyone is in need of a winter coat or a backpack, please contact me. We have some funding to provide new jackets and backpacks for students who need them.

Thank you to everyone who attended our family dinner in November.
We appreciate your support of Afterschool Program.

This month we will be having a Safety Theme Week. We will be discussing Fire Safety. We will talk about how to escape in case of a fire, the best routes to use, and a safe meeting spot for your family. We encourage you to discuss these plans with your family at home and to have a designated spot to meet in case of a fire or other home safety issue.

Staffing Updates: Shannon St. Onge no longer works with us due to unforeseen circumstances. I would like to introduce our new staff members who are joining our program. Jessica Dale and Lisa Bourassa are new group leaders and Emilie Stiles joins us as a homework teacher.
