Hillside AfterSchool Program May & June Newsletter

Another year has come and gone. I have really enjoyed working with your children! We have learned a lot, had some fun, and grown through the year. If anyone has any comments or suggestions for next years program you can reach me by e-mail, text, or phone call. I am always glad to hear feedback. We will be going on a field trip this month and we also have an end of the year celebration on the last day of program. Please keep an eye out for permission slips and flyers for these events. Field trips and parties are privileges that are earned through appropriate and positive behaviors. I will be in contact if other arrangements need to be made for your child on that day. Parents are invited to our field trips, as extra chaperones are always a great help. Also, please feel free to stop by on the last day for our "End Of Year Celebration" on June 2nd.

If you are interested in your child attending our summer program, please pick up an enrollment form at the Family Resource Center in Gorham, or contact me at the information below and I can send one home with your child. Summer program runs from July 5th – August 5th. There will be two programs offered this year based on ages. The 5-10 year olds will have a program at Hillside School. Children ages 11-15 will be offered a program based out of Saint Barnabas. Summer program days consist of enrichment activities, swimming, hikes, getting outside to enjoy the great north woods, field trips, and more.

I want to give a BIG Thank You to all Hillside School Staff Members. The principal, teachers, support staff, office staff, custodians, lunch staff, and everyone involved in the school system. Your support of the afterschool program is greatly appreciated. **Also another BIG Thank you goes to all my staff members** for their hard work, dedication, and passion for working with youth. Alysia Young, Jesse Arsenault, Kayla Tupick, Haley Kline, Baileigh Hoyt, Pam Atkinson, and Joelle Losier. And Dakota Lavoie thank you for volunteering your time and for your dedication to the program. He started as a student in ASP with me in 1st grade and is now a great mentor and volunteer many years later. Thank you to the parents and students as well for another wonderful year.

Enjoy your summer vacation.

*Sincerely,
Lindsay Demers*
